

2024 March "O" Scale Meet - Meetings and Clinics

Thursday March 14 -Sunday March 17, 2024

Updated February 9, 2024

Friday March 15, 2024

- 6:30 pm -8:00 pm General O Scale Discussion Meeting moderated by Roger Lewis.
Roger will discuss updates on the Wasatch Models California Zephyr project. Other topics based on interest. Feel free to bring items to show and tell.
- 8:00 pm -9:30 pm Proto:48 Discussion Meeting moderated by David Vaughn.

Saturday March 16, 2024

- 11:00 am O Scale Central Meeting - Open to All.
- 12:30 pm 3-D printing Round Table, Sarah Griessenboeck and Friends.
Sarah will share some of her exceptional talents and discuss many of her current projects. Some include using 3-D prints to make more highly detailed brass components than what was possible ever before.
- 2:00 pm Modeling a town for a museum display, Jim Rindt,
Jim is a professional Model builder and he will discuss the process of a Museum Display that he and other Professional Modelers help build of a Typical Northern Wisconsin Town. He will Discuss the process of the research the team did to model this town with no compression. While the Display Built was in N Scale, the research and building techniques can be used on any scale.
- 3:00 pm Modeling 2 Rail O Scale in Small Spaces, Eric Bacchi
Most of us do not have a large area to build a Model Railroad. Eric will show how you can still do it in 2 Rail O Scale. He will discuss his choice for track plan, benchwork, electronic infrastructure and scenery, along with the painful list of "must haves" and "nice to have" for equipment and scenes. His layout is a work in progress, currently 26 ft x 2 ft with a freelance midwestern switching theme.
- 4:00 pm Facebook: [2-Rail O Scale & Proto:48 Model Railroading](#)
Meet and Greet with Ken Burney. Annual get together for those active in the group as well as for those interested in where many people went who were once on the email list groups. Find out what it's all about, why 2,700 people (up 200 in the last year) are members and possibly even howto join.
- Time to be determined NKP Modelers Meeting with David Vaughn

Sunday March 17, 2024

** Clinic Room is available for gatherings when not in use please contact committee at ChicagoMeet@yahoo.com to schedule the use of the room.
